LEARN HOW TO IMPROVE YOUR
COMMUNITY RELATIONS WITH A

FREE 2-DAY COFFEE WITH A COP WORKSHOP

MARCH 26-27, 2014

HOSTED BY
THE SALT LAKE CITY, UT
POLICE DEPARTMENT

**SALT LAKE CITY PUBLIC SAFETY BUILDING
475 S. 300 E. — SALT LAKE CITY, UTAH**

It's a simple concept. Police and community members come together in an informal, neutral space to discuss community issues, build relationships, and drink coffee. In over 200 cities, towns, and campuses in 39 states, *Coffee with a Cop* has done wonders for community trust, police legitimacy, information sharing and partnership building. One of the keys to *Coffee with a Cop's* success is that it removes the physical barriers that routinely exist between police officers and community members, allowing for the relaxed, one-on-one interactions which are the necessary foundation of partnerships. Informal contact in a friendly atmosphere increases trust in police officers as individuals, improving the overall image of police and contributing to increased officer safety.

This 2-day workshop will review the philosophies of community policing and procedural justice, explain how *Coffee with a Cop* aids in problem solving and relationship building, and provide helpful strategies for implementing a successful *Coffee with a Cop initiative*.
