Synopsis of Crime: At 0605 hours on Sept. 30, 2002, Hipolito Casiano Mateos left his home at 1985 Sir Charles Drive, Salt Lake City, to go to work. As he approached his car, an unknown assailant advanced upon him, firing multiple shots that killed him instantly. Investigators believe the assailant met the victim at a party in Ogden the week prior to the shooting. The assailant may have been drug involved and believed the victim had information that could have compromised his drug activities.
